From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your yes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/>

MESSAGE #1240 from the Blessed Mother October 25, 1997

My daughter, Heaven awaits those who believe and do the Father's Will.

It is not always easy to do the Father's Will, for one does not always understand the work that they must do for Our Lord and that is why one must trust and believe that whatever God asks you to do, it is for good reason. For God's plans are mighty and when carried out, souls will be saved. If one is not patient, then God's plans cannot be carried out. It is through obedience that one grows and learns to trust, for without obedience one will step ahead of God.

The answers will not always be given to those who do the Father's Will, for then one would not learn to trust. The answers are given in God's most perfect timing because God knows how much each child can comprehend. God prepares His children first so they stay strong in their faith through all trials and tribulation. Through God's grace, one is strengthened and prepared along the way.

The problem today is that many want instant answers. They want to do what they want to do, thus refusing how God wants to direct them. Many then become frustrated and give up because they refuse the guidance needed to stay whole. Many question God due to lack of faith or because of fear. Many do not see themselves the way God sees them, so they refuse to believe that they can do what God is asking of them. This is why so many never do what God is asking of them.

My people, there is no longer time to ignore God. You must be more willing to pick up your cross so more can be accomplished in these times. You must believe that God knows what you can do. You must quit doubting every time God speaks to you, for then God's work cannot be carried through. You must start confiding in God so your relationship can grow, for without coming to know God, you will only become weaker, which will cause you to deny God.

You need to tell God how you feel so that God can help you sort out your feelings, for your thoughts and emotions are what pull you away. It is your desires that lead you astray, for your desires can be very selfish because of your insecurities and weaknesses. One must ask themselves today, are they truly doing what Our Lord is asking of them or are you only pleasing yourselves? Are you walking the road of Calvary or are you taking the easier way out? Do you truly love God or are you denying God?

I say to each of you, surrender and do the Father's Will no matter how hard it seems, for God will always be your strength. God will guide you and teach you the more perfect way. God will mold you and purify you on this earth if you allow God to. God will discipline you in the areas where you are weak so you become stronger in your faith. God will never leave you, so please remove that fear of thinking you will have to walk alone. God will always protect you and provide you with the answers that you need to know.

So trust, my people, and become more confident in Our Lord so you do not hinder the grace and gifts that God wants to bestow on you. Be more trusting that God will always see you through. Be not angry or do not blame God when things don't go your way, for in time, all will be perfect if you stay true to Our Lord.

Now, go forth as true believers so that God can work through you, for then your lives will be less stressful because much peace and joy will be given to you. Be more committed to serve Christ so you stay loyal to Our Lord and keep your eyes focused towards Heaven, for then no job will ever be too difficult for you. For Heaven is eternal and awaits all those who believe and do the Father's Will. Amen.

MESSAGE #1351 from the Blessed Mother February 8, 1998

My daughter, God has a plan for each of His children, for each child is special in God's eyes. But in order to hear God's plan, one must spend time before Our Lord. One must listen to their heart and then respond. One must remove the distractions that are preventing them from hearing Our Lord. One must believe that God has a more perfect plan for you.

If more truly believed, they would respond to God's call instead of what others were telling them to do. They would be more patient and would not step ahead of God. They would spend more time with Jesus instead of becoming so busy doing worldly things. They would not want to waste their time. They would pray more and seek God for direction.

The problem today is that many have become too busy for God. Many do not take the time to truly come to know Our Lord. Because of this, many do not respond to what God is asking them. Many do not trust in God's plan for them. Many doubt that God truly exists, especially when one is not given instant answers. Many try to live their lives without the proper nourishment needed for their soul. Many do not see the importance of cleansing their soul in the Sacrament of Reconciliation. Because of this, many have wandered away from true teaching. Many do not have the grace needed to live holier lives. When one refuses God's grace, they then refuse the direction needed to become more whole.

I say to each of you, come to know my Son now, for without guidance, the world will only pull you farther away from Jesus. Without direction, you will become confused and you will end up on the wrong path. You won't know which way to turn if you keep ignoring God. So please be not foolish, come to know Our Lord today. Spend time, quiet time so you are not distracted by the world. Spend time each new day, not just when you feel like it, for Our Lord wants to hear from you every day.

If you take time each new day, your relationship will then grow with Our Lord. You will then become more secure and confident in Our Lord. You will feel peace instead of feeling anxious. You will feel calm no matter how difficult it becomes, for God will reassure those who come, come back to Him. God will prepare you if you allow God into your heart. God will not leave you stranded. God will show you the way, so please stop searching for your answers. Go to God, for then you will be fed the truth. Go to God for all your needs and I promise you, God will give you what is best for your soul. God will provide all that you need to know, for God knows how much each of you can endure.

So trust and believe that God truly exists. Trust, so you come to know God. Spend time adoring Our Lord, for Jesus is truly present in the Monstrance. Jesus is truly present in every Consecrated Host, waiting for each child to come and receive Him. So remove your doubt and your fears and spend more time before Our Lord. For then your lives will change, for you will be directed in a better way.

Now come, come to the Church where God is calling you so that peace will enter your heart. Come today, for tomorrow may be too late. Come as little children, for they are more willing to be fed. Come, because you want God to come deeper into your heart, for then God will enter and your lives will change. God is calling His children, so please respond to God today. Amen.

MESSAGE #1866 from the Blessed Mother November 15, 1999

My daughter, I am here for those who will give me their heart. I am here because many have taken shelter in my heart. Continue now to take refuge in Our heart and live your consecration.

Today, I ask that you teach others how to pray the Rosary, for this is your weapon to keep evil away. When you pray the Rosary, teach others how to meditate on the mysteries of the Rosary. Teach others to pray, pray from their heart. All will truly come to know Jesus if they reflect on each mystery of the Rosary. Those who pray will surely come to know our dear Lord, Jesus.

This is the time to go forth and to teach others, so please don't hold back. Let all Our children know how much you love Jesus. Let all Our children know how important it is to fast and pray. Let not your lips be silent, for all must come to know the truth. This world needs to wake up now, so please call upon the Holy Spirit. Please allow the Holy Spirit to work through you. Please do all that you can, for this is the time of God's mercy and grace. This is the time to lead others back to Christ. This is the preparation time, so be not afraid to light and prepare the way.

I am here now to help you, so please, please don't hold back. Please don't be afraid to be persecuted for living the truth. All that you say and do now will help, help save souls. All that you do for God will not go unnoticed. God will bless you abundantly for each soul that you save. This should give each of you hope, for in time you will be truly blessed. In time, all will know the truth and they will respond if you go forth in love and truth. Their heart will be touched if you are willing to suffer for our Lord.

But, if you hold back, many will sink deeper, deeper into the pit. The longer you wait to share your faith it will be much more difficult for them, for change takes time and many need to do penance now for their sins. Many need to be rescued now, for many are falling further away from God. Many need your prayers and support, so please do not wait. Be compassionate and help those who are living in darkness.

Jesus carried His cross for you, so now I am asking you to help Him by carrying your cross for Jesus. Help Jesus everyday so you never turn your back on our Lord. Be servants and truly serve our Lord. Be humble children so that God can dwell in you. Be kind and considerate to others, for each child is at a different level. Each child needs to be loved, so do not be unkind or forceful. Be loving children and keep your heart open to all your brothers and sisters.

If you do this, dear children, this world will change, for more will come to know Jesus. More will accept the whole truth if you allow God's love to pour through you. This is my message to you, so please be willing to do your part. Please be willing to carry Jesus with you wherever you go. I am your Mother of Grace, so please be not afraid, for I will protect you.

Go now and let others know how much you love our dear Lord, Jesus. Amen.

MESSAGE #1988 from the Blessed Mother June 14, 2000

My daughter, This is a time of mercy and peace from my Son. Tell my children to use this time more wisely. My children ask me, how can this be accomplished? Much can be accomplished if you take heed to the messages that have been given you. Be faithful to daily Mass, Confession, Holy Communion, prayer, fasting and sacrifices. Be faithful children and live each day for Christ. Turn away from sin so that you can be more pleasing, pleasing to God. Hunger daily to be taught, for then the truth shall be revealed to you.

Many today are hungry, but very few take the time needed to be fed, fed by our Lord. Please, dear children, don't deprive your soul, let go of your busyness so that God can enter more fully. Let go of your selfish desires so that you can become more whole. Don't be lazy children, work hard and do all that you can to truly please our Lord.

Allow the power of my Son's mercy and love to help you imitate the life of the Holy Family. Surrender your life to His mercy and love, for then peace will dwell in you and your family. Peace and holiness will reside in your home if you accept God's Grace. Peace and harmony will be present in your home if you turn away from sin and reconcile with our dear Lord, Jesus. Believe that spiritual healing is the result of my Son's mercy and love for you. Believe and cast aside all doubt and fear. Believe, or it is impossible to be true, true to our Lord.

This time is so special, but in order to move forward your heart must be strong. You must love and imitate Christ, not only in word, but in action. You must be faithful to my Son and spend time with Him. In order for Jesus to transform your heart, you must give up your worldly ways. You must learn to be more silent in order to truly hear our Lord speaking to you. Silence is a must, for you each need to be directed on this earth. Without silence you will be distracted by the noise of this world, so learn to be more silent and be not afraid to come to Him.

God is love and you are each so dearly loved. By allowing God's love to fill your heart, you will be able to love those around you. You are being called now to reconcile your hearts to God and to your brothers and sisters, so please abide in true teaching and accept God's love and mercy for you. Do not be stubborn, let go of pride so that you can be strengthened. Admit your weaknesses and amend them by asking, asking for forgiveness. Humble yourself in the presence of the Lord.

My motherly requests are necessary if you truly want to be soldiers for our Lord, so please take heed to what I am telling you so you do not abuse this time. I will be with you each new day. I am truly here because of God's love for you. Respond now with your whole heart and I promise you, unity will be restored.

My daughter, Jesus will now speak to you, so please continue to write and then relay, relay our words.

MESSAGE #2491 from the Blessed Mother June 17, 2003

My daughter, I am here, so please write and relay my messages so more come to know our Dear Lord, Jesus. Many today need to hear the truth, so please do not delay. Set time aside to pray more so your focus is on Jesus and not the world. The world will pull you away from Jesus if you don't pray, pray more. All my children must do the same if they truly want to build their relationship with our Lord.

Each child must make time to pray and honor God. Without prayer and sacrifice, you cannot stay strong, strong for Jesus. Today, I must remind my children to pray, pray more. If you allow yourselves to become too busy, then your focus will not be on our Lord. Please take time to be with Jesus each new day. Please pray and then surrender your lives to God.

Listen to the direction God is giving to you and then respond with your whole heart. Respond so that more can be accomplished on this earth. Respond and be confident that God knows what is best for you. Respond by truly using those gifts God has given you. Trust in God and be dependent on His love, mercy and direction. A response is truly needed in order to take part in saving souls, so please take quiet time and listen, listen to God. Take quiet time and I promise you, God will fulfill His Divine plan in your lives. God will touch you in a special way if you make time, quality time, to be with Him.

Now, please obey and do your part so more souls can be saved. Through prayer and mercy, conversion will happen. Through prayer and true devotion to our Lord, you will be led in the right direction. Now, please keep your focus on our Lord so you grow and blossom. Keep your focus on Jesus and devote more time for prayer so you are true servants for our Lord. Amen.

MESSAGE #2584 from the Blessed Mother February 5, 2004

My daughter, If my children truly loved Jesus, they would spend more time with Him. They would pray throughout the day and converse with God. They would not be afraid of sharing their love of knowing Jesus. They would not lose hope or worry, worry about the future.

Dear children, your first love must be God if you truly want to blossom. You must adore Our Lord and follow His way of truth. You must be grateful for all that God has given you and strive to be humble, loving children. Please imitate Christ and take heed to the Gospel. Live all that you are being taught so that you truly come to know Our Lord in this time of preparation.

Be more prudent with your time so you stay close, close to Jesus. Do not allow the world to add busyness to your life. Set time aside each new day, kneeling before Our Lord. You can do this by truly building a chapel in your homes. All you need is a crucifix and a quiet corner to kneel before Our Lord. Each of you can do this if you truly want to spend quiet time kneeling and adoring Our Dear Lord, Jesus.

Today I must remind my children, for so many spend such little time with Jesus. Many spend endless hours entertaining themselves with their material wealth. This is why so many children are being led further away from God. Take a look today at how much time you spend with Jesus. Take a look and then take hold of your life. If you feel distant from God, then increase your time to be with Him. If you feel alone, then take Jesus with you wherever you go. Invite all the Holy Angels and Saints to be present in your home. Call them by name and they will surely assist you.

Now, please let go of the noise that surrounds you and be silent so that you can truly, truly hear God. Through silence, God will give you the wisdom needed to be more prudent. This time is so precious, so do not delay. Give more time to Jesus and adore Him each new day. Amen.

MESSAGE #2605 from the Blessed Mother March 26, 2004

My daughter, Today is a day to meditate on our Lord's Passion, so please pray and fast and meditate on the sorrowful mysteries of the Rosary. Through your prayers and sacrifices, you will help heal Jesus' wounds. One must never deny the pain and agony that Jesus endured for each of you. My Son's wounds were deep, yet He suffered in silence. Jesus bled profusely, yet He picked up His cross and suffered, suffered for humanity.

Dear children, please follow the ways of my Son. Embrace all your crosses with love and joy in your heart. Embrace each new cross and offer your suffering to our Lord. Each time you do this, you are truly embracing my Son in His Passion.

Please, dear children, surrender your hearts to my Son and be humble and pure. Turn away from sin and live, live a holy life. Do penance for your sins, for then you will be taking part in healing Jesus' wounds. Much strength will be given to those who live this message. By truly living all that I am teaching you, you will desire purity and holiness of heart. You will not have to suffer long in Purgatory if you do your part in healing Jesus' wounds. Through prayer, sacrifice and penance, you will be imitating Christ. Through prayer, sacrifice and penance, God will truly help those souls that you offer your prayers and sacrifices for.

Now, please kneel before our Lord and meditate on our Lord's Passion. Meditate on our Lord's Passion and be willing to suffer with love in your soul. Pray, pray the Rosary together and believe that this will truly help you live your vocation according to God's Holy Will.

Go now as prayerful children and let my words and all that I am teaching you penetrate your hearts. Amen.

MESSAGE #2609 from the Blessed Mother April 5, 2004

My daughter, Pray and persevere so you stay strong, strong for our Lord. Follow my Son and carry your cross with joy.

All my children must do the same, they must open their hearts and seek His ways. They must be true followers of Christ and live, live a holy life. They must trust in Him always and live in His faith daily. All must pray and accept God's love and mercy if they truly want to be guided on this earth. All must be faithful servants and live and speak the truth.

Begin today by truly imitating Christ. Be loving, forgiving and compassionate. Join hands with those around you and live in harmony and peace. Be good and loving children and let go of any hurt or negative feelings. Let go and give it to God so that you can move forward. Be good and pure so that you can live in the fullness of God. Unite together in the love of my Son, Jesus. Discipline yourselves now so that you may grow in truth and blossom for our Lord. His truth is the only way, so please be true disciples for our Lord.

The dawn is near, so please walk in faith and believe that God is truly, truly with you. Walk in faith and believe in God's love that He has for each of you. Amen.

MESSAGE #2740 from the Blessed Mother February 23, 2005

My daughter, Do not be discouraged when you suffer, for I am truly, truly with you. Each cross that is given to you, is truly a blessing from God. God knows how much you can endure, so stay strong and faithful to Our Lord. Stay strong and write each time I come to you.

Much prayer is needed around this world, so please tell my children to offer their prayers, sacrifices and suffering to Our Lord. Through your obedience, more will come to know Jesus. More will have a change of heart and they will come back to the Sacraments. Through receiving the Sacraments, they will have the grace needed to stay on the path that will lead them to Heaven. Without God's grace, one cannot stay strong, strong for Jesus.

I say to all my children, live these messages, for then you will have the strength needed to do God's Holy Will. Live these messages and I promise you, change will occur in your lives. Change will truly happen through your response. Please live my messages everyday and be more grateful for this time that I can be with you.

This time is so special, for my Son is truly pouring His love and mercy to all of mankind. This time is so special, so keep moving and allow your hearts to shine, shine for Jesus, your Merciful Lord and Savior of the world. Amen.

MESSAGE #2778 from the Blessed Mother May 18, 2005

My daughter, My Son's Heart overflows with love, mercy and compassion. He is with you on those days where you feel alone. Accept all that I share with you so you persevere with hope in your heart.

Each day is different when you walk with Our Lord, so be patient and stay close, close to Jesus' Most Sacred Heart. Satan is strong and he will tempt those who give up on prayer. Satan wants each of you to be unfaithful and to choose the easier road. Satan will do all that he can to draw each of you away from Our Lord. This is why I tell each of you to stay close to Our Lord. This is why I encourage you to receive the Sacraments often.

I say to my children, support your Pope and do not give in to the ways of the world. Stay true to your Faith and do not compromise with the world. Allow God to mold you so you come to know the full truth. Allow my Son to be your shepherd so you stay on the path that will lead you to Heaven. There is no time to be deceived by the world, for time, dear children, is running out. You must come to know the truth so you are not entangled by the serpent's tail. Confusion has become widespread and many are not being taught how to truly live their Faith.

False teaching will be spread if you deny my Son's presence in the Eucharist. If you ignore God's Commandments, the smoke of Satan will become a dark cloud upon the Church. Prayer and obedience is your protection. Complete trust in God is how you will stay faithful to true teaching. Humility and being loyal to God is how you will become richer in grace. A true soldier does not give in to the enemy. A true soldier marches in unison and is totally dependent on God.

Please take heed to my motherly advice, for there is so much evil and confusion in the world. So many are being deceived and are on the wrong path. Now, please be faithful servants and be true soldiers for Our Lord. Be humble, simple children and allow God to be in complete control. Amen.

MESSAGE #2783 from the Blessed Mother May 31, 2005

My daughter, The day will come and all will know God exists. The time will come and many will fall to their knees. Hands will be needed, so please deepen your relationship with Jesus. Spend time adoring Our Lord and believe in Jesus' True Presence in the Eucharist. Cleanse your soul regularly and be ready at all times. Be ready, prepare your soul now. Do all that you can to make the Gospel known. Reach out to all your brothers and sisters, especially those who are furthest away from Jesus.

I am asking each of you to take quiet time to be with Our Lord. Take quiet time and you will truly hear God. It is time now to let go of the noise of the world so you are directed in these times. Through silence you will come to know God's Will in your life. Through silence you will come to know God's love that He has for you. Silence is truly necessary if you want to be led closer to Our Lord. Be silent and kneel before Our Lord, for He truly longs to be with you in a very special way.

This is my request for you. Be silent, listen to your heart, for God has a special plan for each of you. Amen.

My daughter, Continue to serve Our Lord, for many souls are not listening to the Gospel. Many are living in sin. Many are choosing darkness.

Change is needed, so please do what God is asking of you so more turn to God before it's too late. Live, live the truth and tell my children to obey God. Tell my children to live pure, holy lives consecrated to God. All must imitate the Holy Family and be true servants for Our Lord. All must repent and amend their ways.

Now, please dear children, take the first step and let go of hatred and pride. Let go of fear and be humble, loving servants for Our Lord. Go now with peace in your hearts and adore Our Lord. Amen.

MESSAGE #3010 from the Blessed Mother August 8, 2007

My daughter, Take quiet time so that you can hear Our Lord. Much direction will be given to you, so do not allow the world to distract you.

Many today do not hear God because they do not take quiet time to be with Our Lord. Many do not pray from their heart because they are rushing through their prayers. Please slow down and make quality time to be with Our Lord. Spend time with Jesus and adore My Son. Make changes in your life so you have time to kneel before the Blessed Sacrament.

If you truly want to grow and blossom for Our Lord, then you must respond. I am here to guide you to My Son, but you must respond to what I am teaching you. Respond with love in your heart and seek My Son's mercy and love. Turn to Him each new day and seek His love and mercy. Spend time with My Son, for He truly, truly loves each of you.

Now, please surrender your heart to My Son and be thankful for each moment that you can be with Him. Amen.

MESSAGE #3052 from the Blessed Mother January 25, 2008

My daughter, There is still much work that needs to be done, for so many are still sleeping. Much prayer is needed, so please pray with me each new day. Offer your sadness in your heart for those who are furthest away from Our Lord. In time, all will know the purpose of these messages. Through your prayers, suffering and sacrifice, souls will be saved. Please trust in my motherly intercession so you continue to write each time I come to you. Please trust and be obedient to God so more come to know Our Dear Lord Jesus.

Please, dear children, endure your sufferings and trust that God will not abandon you. Trust and be willing to be persecuted for living the Gospel. Your prayers and sacrifices are truly needed, as so much evil is taking place all around the world. So many are living in mortal sin. So many are doing the opposite of what God is telling them to do. Please, dear children, persevere and pray, pray from your hearts. Live more simply so you have more time to pray. Pick up your cross and follow Jesus each new day. Obey God and embrace your cross with joy. Let go of all your fears and worry, and trust in God's love for you.

Now, please be loving, humble children and move forward even on those difficult days. Please take quiet time and pray and reflect on Our Lord's Passion, for this will truly help you persevere each new day. Amen.
